**View of the Stanley House hotel from the water**

Identifier: 16728

Title: View of the Stanley House hotel from the water

Type: Image, Photograph, Picture Postcard, Real Photo

Subject: Structures, Commercial, Lodging, Hotel

Description: A rare view of the Stanley House from the water. The shoreline with water, rocks, and trees are in the foreground with the only the roof and upper stories of the hotel visible in the backround.
